

Excess concentration of ownership

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. I am alarmed at the degree of concentration of media outlets in some markets, and am strongly AGAINST raising the limits on how many channels a broadcaster may own.

Our democracy depends on frank discussion from a variety of viewpoints. I believe this variety is threatened by the media conglomerates that are currently developing.

Sincerely,

Anne Heck
